21. (Unclassified - ME) FOIA/LIAISON I called the district office of Representative Ted Weiss (D., N. Y.) and spoke with Miss Ellen Wallach concerning correspondence relating to Mr. Terrance S. Bannister's Freedom of Information request. I advised Ms. Wallach that by now Mr. Bannister should have received CIA's reply to his request which was dated 20 March (the Congressman's letter was dated 21 March) and that the Agency had no information on Mr. Bannister. She asked for and a copy of our final response to the Congressman was sent this date.

22. (Unclassified - GMC) LIAISON Received a call from Ken deGraffenreid, on the staff of the Senate Select Committee on Ethics (Morgan/Schmitt Subcommittee), who said he was sending a memo containing additional requests for information concerning one of the Subcommittee's investigations. He said that the Subcommittee had, as a matter of policy, hired a different transcribing firm than the one used by the Senate Select Committee on Intelligence. He told me that the transcribers already had Top Secret clearances and that they now wanted to acquire a compartmented clearance for at least one of the transcribers. I told him that I wasn't sure whether or not this would present any problem, but that he should go ahead and send us some biographic data on the transcriber.

23. (Unclassified - JEC) LEGISLATION Called Jim Stimpson, OMB, to tell him that we were going to approach the Senate Committee on Human Resources Subcommittee on Health about our problems with S. 2579, the behavioral and biomedical research bill. He said he saw no problem with that.

24. (Unclassified - JEC) LEGISLATION Called Bob Weingar, on the staff of the Senate Committee on Human Resources Subcommittee on Health, concerning S. 2579. I briefly outlined our problems, and he assured me he would deal with them. He asked, however, that we wait until after Subcommittee mark-up of the bill because the preparation for that mark-up had already been completed.

✓ 25. (Unclassified - JEC) LEGISLATION Received a call from Phoebe Felk, OMB, who asked that we forward her a copy of our letter to the Senate Governmental Affairs Committee on Hatch Act legislation. A copy was sent to her.
